

MUL-20 Sealless Combination

- Strap width: 1/2", 5/8", 3/4" (13, 16, 19 mm)
- Teknika Strapping Systems' bestselling tool
 - Lowest cost of ownership
 - Specifically designed for High Tensile strapping

MUL-16 Sealless Combination

- Strap width: 1/2", 5/8", 3/4" (13, 16, 19 mm)
- Eliminates need for separate tensioner, sealer, and cutter
 - High efficiency, triple notch sealless joint
 - High quality steel frame to minimize damage due to accidental drops

MUL-420 Steel Tensioner Tool

- Strap width: 3/4" - 1 1/4" (19 - 32 mm)
- High quality casting guarantees enhanced durability
 - Needle bearings facilitate smooth tensioning
 - Easy access to all wearable parts for maintenance

MUL-430 Steel Sealer Tool

- Strap width: 1 1/4" (32 mm)
- Patented design reduces sealing effort by 50%.
 - Reliable double notch joint
 - Unique dual-action sealing motion allows for use on vertical surfaces

MUL-325 Cord Tensioner

- Strap width: up to 3/4" (up to 19 mm)
- Effortlessly cuts all cord types
- Most user-friendly and ergonomically appealing tool
- Patented vertical gripper motion

MUL-375 Cord Tensioner

- Strap width: 3/4" - 1 5/8" (19 - 42 mm)
- Easily cuts all cord types
- Innovative gripping mechanism grips and releases strap with a vertical motion without damaging the strap
- Easiest tool to lift off strap

MUL-395 Lashing Tensioner

- Strap width: 1 1/2" - 2" (38 - 50 mm)
- Only manual lashing tensioner on the market capable of pulling over 2,000 lbs of tension
- Heavy duty assymmetrical gripper allows for application of high tension and greater holding power
- Patented cutter design with greater performance on all lashing straps

MUL-320 PET Tensioner

- Strap width: up to 3/4" (up to 19 mm)
- Teknika Strapping Systems' best reviewed tool
- Patented vertical gripper motion allows for easy strap release
- Most user-friendly and ergonomically appealing tool for plastic strapping

MUL-330 PET Sealer

- Strap width: 5/8" (16 mm)
- Patented staggered, symmetrical jaws eliminate the need to orient the tool on non-symmetrical seal
- Very popular due to durability, efficiency, and light weight
- Consistent high joint efficiency

MUL-350 / MUL-351 PET Combination

- Strap width: 5/8" / 1/2" (16/13 mm)
- Innovative combination tool that tensions, seals, and cuts the Strap in one operation
- Can be used on vertical and horizontal surfaces
- Works with standard open serrated seals

MUL-331 PET Sealer

- Strap width: up to 3/4" (up to 19 mm)
- Teknika Strapping Systems' best reviewed tool
- Patented vertical gripper motion allows for easy strap release
- Most user-friendly and ergonomically appealing tool for plastic strapping

MUL-370 PET Tensioner

- Strap width: 3/4" - 1 1/4" (19 - 32 mm)
- Best tensioning performance available on the market
- High quality casting ensures enhanced durability
- Patented vertical gripper motion allows for easy strap release and greater holding power

MUL-381 PET/PP Sealer

- Strap width: 3/4" (19 mm)
- Only sealer on the market adjustable for three strap thicknesses 0.040", 0.050", 0.060" (1, 1.27, 1.52 mm)
- Unique jaw design and side-action motion reduces sealing effort
- Enhanced joint efficiency

MUL- 341 Combination PP

- Strap width: 1/2" (13 mm)
- All in one, patented combination tool tensions, seals, and cuts the strap
- Original sealing mechanism ensures superior joint strength
- Works with inexpensive ST-340 seals

MUL-360 PP Tensioner

- Strap width: up to 5/8" (up to 16 mm)
- The smallest and most portable tool
- Simple and original design replaces generic entry-level tensioners
- Fewest number of moving parts ensure the tool never needs to be repaired

AL-JABAL STRAPPING SYSTEMS

S-290 Feedwheel Tensioner

- Strap type: steel
- Strap width: up to 3/4" (19 mm)

S-296 Heavy Duty Feedwheel Tensioner

- Strap type: steel
- Strap width: up to 3/4" (19 mm)

S-298 Heavy Duty Feedwheel Tensioner

- Strap type: steel
- Strap width: 3/4" - 1 1/4" (19 - 32 mm)

S 246 Pusher Tensioner

- Strap type: steel
- Strap width: up to 3/4" (19 mm)
- Flat and round packages

C-312x Sealer

- Strap type: steel
- Strap width: 3/8" (9 mm), 1/2" (13 mm), 5/8" (16 mm), 3/4" (19 mm)
- Double notch, front action

C-318 Sealer

- Strap type: steel
- Strap width: 1 1/4" (32 mm)
- Double notch, side action

H-100 Cutter

- Strap type: steel
- Strap width: up to 3/4" (19 mm)

H-230 Heavy Duty Cutter

- Strap type: steel
- Strap width: up to 3/4" (19 mm)

H-305 Heavy Duty Cutter

- Strap type: steel
- Strap width: up to 2" (50 mm) x 0.050" (1.3 mm)

P-112 Tensioner

- Strap type: polypropylene/polyethylene (PP/PET)
- Strap width: up to 3/4" (19 mm)

C-3004 Sealer

- Strap type: polypropylene (PP)
- Strap width: 1/2" (13 mm)
- Seal type: regular open seal

P-300 Tensioner

- Strap type: polypropylene (PP)
- Strap width: up to 3/4" (19 mm)
